

Hello

Thanks for showing an interest in our Safari Adventure day! Here's some more information which we hope will help you make up your mind to come along!

**What is it?** A fun day out in Merseyside, a trip to the Knowsley Safari Park and a tour around the grounds. See some amazing animals and watch exciting live animal shows. Meet other teenagers from around the country with heart conditions, and make new friends.

**Where is it?** Knowsley Safari Park is situated in Prescot, Merseyside. We will be offering two different locations for pick up and drop off – one in Manchester city centre and one in Liverpool city centre. We'll then all meet up at the park, and share one coach to have our tour and get to know everyone!

**When is it?** Saturday 7<sup>th</sup> September. Pick ups will be at 11am and drop offs at 4pm.

**Who can go?** It's an event especially for 13-17 year olds with heart conditions. If you would like to bring a sibling or a friend then that's fine, as long as they are also aged 13-17.

**How much does it cost?** It's completely free for you to attend our event, including lunch and refreshments. If you'd like any additional spending money for the gift shop, you'll need to bring that with you.

**Who will be there?** Our friendly, competent and experienced team of staff and volunteers will be on hand to make sure you have a fantastic day, and to answer any questions you might have. We'll also be joined by a Cardiac Nurse Specialist who will be able to support most medical needs.

**Disabled access:** All our vehicles are wheelchair accessible and the Safari Park itself is also completely accessible to those in wheelchairs. Because we will be going round the park in a coach, there is limited walking so the event is suitable for those who can't walk very far. The amount of exertion individuals choose to do is completely up to them and if you'd prefer to stay on the coach during parts where people walk around, that's fine and a member of our team will be available to keep you company!

**What do I need to do to get registered?** If you would like to come to this event then please complete the application form that will be sent to you very shortly. Places are limited and given on a first come first served basis so register soon to avoid disappointment!
